Hello! Hello! Whoever you are,
Come travel with me
We will sail pathless and wild seas,
We will go where waves dash and winds blow.

Come on! Come on! Wherever you are,
Look around you will find what never tires.
Come on! Come on, And join hands.
Know what it is as you pass to beloved by strangers:

Take to the open road healthy and free,
Take the long path leading wherever I choose,
I travel with the wide world before me,
The earth expanding, the music sounding.

I ordain myself loosed from imaginary limits,
From this hour I shall live as my own master,
Searching, receiving and listening,
Breaking the bonds that would hold me.

Sing a song of the open road,
For here is space and here a great deed has room.
Sing a song of the highway I travel,
For here is the test of a wisdom that is of the soul.

Take warning of those who would hold you.
The mocking and bat-eyed men.
Take your love on the road with you.
Take your love on the road.

Gather the minds of men out of their brains,
Gather love out of men's hearts,
The universe is a path that is endless,
The universe itself is a road.

Come forth, my call is the call of battle
Going with me you must go well armed.
Come forth, come forth and travel with me.
Hello!

A.S.B. Heads

This year brought us two major gaols for consideration: bringing A.S.B. finances out of the red and allowing more students an opportunity to participate in student government and to let their voices be heard.

The first goal was met with a very successful work Day.

Changing representation to first period class instead of the rare homerooms will hopefully accomplish the second goal. It will bring about better communication between the students and their government and this change will also allow more students the privilege of experiencing student government.

I'd like to thank the student body for giving me this honor of being A.S.B. President, the Executive Board for being so agreeable and Mr. McConnell for keeping the whole lot of us on the right track. It's been an interesting and very enjoyable year. Thank you, Roy Lewis.

"By hook or by crook we'll balance our book!" Well, not exactly. But with the ASB treasury in the red at the beginning of the year, some action (legitimate) had to be taken towards solving the problem. The solution was found in a highly successful Work Day in which students contributed a share of their earnings.

Spaghetti Feed

February 10th, the Selah Varsity Lettermen sponsored the annual Spaghetti Feed. This year the girls earning Varsity Letters helped with the serving. An estimated 1,000 people were served which grossed approximately $1,300 and netted about $700. Part of the money was spent to see the Supersonics play and the rest went into the Athletic Fund.

Chili Feed

This year the Lettermen and the Vikettes joined forces and sponsored a Chili Feed to raise money for the Athletic Fund. $400.00 profit was a good start for the first annual Chili Feed.

Mushy-stuff

Selah High School Senior class made a nostalgic dramatic journey when they presented "Kiss and Tell", a World War II comedy on November 17 and 18. The play revolved around Corliss Archer and her "holy cow" boyfriend, Dexter, as she tried to conceal the marriage and impending fatherhood of her brother in the air corps. A mix up over a family feud and the mother-to-be resulted in a charming evening sure to provoke many "I remembers".

Pvt. Earhart plays a swell Ping-Pong game with Corliss.

Music is the Universal

I'd like to teach the world to sing
in perfect harmony,
I'd like to hold it in my arms
and keep it company.
I'd like to see the world for once
all standing hand in hand,
And hear them echo through the hills
for peace throughout the land.
That's the song I hear,
let the world sing today.
A song of peace that echoes on
and never goes away
Put your hand in my hand,
help me find the way.
